

# Thank you for your support and voting us the BEST animal rescue in Tracy!

## Dear Supporters,

Serving the needs of at-risk animals locally since 2005 A 501 c(3) nonprofit CA corporation • EIN# 33-1069899 2023 is drawing to a close. The events of this year have brought increased hope, but also increased uncertainty. People are less likely to make long-term commitments, like adopting cats and dogs. And yet, the animal abuse cases continue, the parade of animals entering the local shelters continues. EOE has taken on an unprecedented number of medical cases this year. Please consider donating this Giving Tuesday: any amount is appreciated. You are making a difference. This much we know: in this divided world, caring for the animals in our community builds bridges between us.

**Linda Miller**  
President and Founder

Please  
consider the  
least among us this  
holiday season.
